PROFILE

Business & Economics graduate (International Business) from the University of Gothenburg with a long-standing interest in how the games industry works: its markets, business models and players. Bachelor's thesis on how game companies adapt their products to international markets, based on ten industry interviews. Experience in market analysis and go-to-market recommendations.

EDUCATION

Bachelor's Degree, Business & Economics · International Business Track <i>School of Business, Economics and Law, University of Gothenburg, Sweden</i>	<i>Sep 2023 – Jun 2026</i>
Exchange Student <i>Darla Moore School of Business, University of South Carolina, USA · GPA 4.0/4.0</i> <i>Honorary Member – Sigma Omega Upsilon International Business Fraternity</i>	<i>Aug – Dec 2025</i>
